

SCHOLARSHIP RECIPIENTS

Congratulations to the following 2020-2021 Farm Bureau Scholarship recipients! Each year scholarships are awarded to outstanding students who are pursuing a degree in agriculture, horticulture, or a closely related field. Primary criteria for awards are career goals, work experience, financial need, grades, and written expression. Secondary criteria are extracurricular activities and academic honors.

This year, 12 scholarships were awarded to 10 deserving students, with awards ranging between \$1,000 - \$5,000. A total amount of \$28,000 was awarded to this year's recipients. Two named awards were bestowed upon Hailey Baldwin and Sarah Drown. We look forward to seeing more from these students in the future!
