

# Agricultural Stormwater Training Event

Tuesday June 27<sup>th</sup>, 2023 @ 2 PM

You are invited to attend this **in-person**\* agricultural stormwater training event designed for irrigated commercial agriculture operations/farmers in the San Diego Region.

The event provides comprehensive stormwater training that meets **both** County Agricultural Water Quality (AWQ) Program annual stormwater training and San Diego Water Board Ag Order annual 2-hour continuing education requirements.

Following the presentations there will be a 1-hour Q&A session with staff from the University of California Cooperative Extension (UCCE), the County AWQ Program, the San Diego Water Board Ag Order Program, the Department of Public Works (DPW), Mission and Greater San Diego Resource Conservation Districts (RCDs).

**June 27<sup>th</sup>, 2023**

**2 PM – 4:30 PM** Agricultural Stormwater Training Presentations

**4:30 PM – 5:30 PM** Q&A Session

Where: **San Diego Farm Bureau, 420 S. Broadway, Escondido, CA 92025**

\*Virtual attendance option: <https://ucanr.zoom.us/j/92816630132?pwd=bIVhaGVuMDRrUTExNFpFbnFWaFhYQT09> or use this QR Code:

**RSVP by emailing Kimberly Greene at [Kimberly.Greene@sdcounty.ca.gov](mailto:Kimberly.Greene@sdcounty.ca.gov) and → indicate if you will attend the event in-person or virtually.**

Light refreshments and drinks will be provided for in-person attendees.

## Agenda Overview:

1. **County of San Diego Agricultural Water Quality (AWQ) Program** – Speaker: Kimberly Greene
  - Program overview; common compliance challenges; Best Management Practices (BMPs); stormwater training requirements
2. **San Diego Region Water Quality Control Board** – Speaker: Cailynn Smith
  - Ag Order program overview; what to expect during inspections; common violations and BMPs
3. **University of California Cooperative Extension (UCCE)** - Speaker: Gerry Spinelli
  - Monitoring crop irrigation needs; measuring and improving irrigation system performance; nutrient management (when and how much to apply)
4. **Natural Resources Conservation Service (NRCS)** – Speaker: Isabel Garcia
  - Top 5 conservation practices for erosion and sediment control; examples of in-the-field practices for erosion and sediment control
5. **Department of Agriculture, Weights & Measures (AWM) Pesticides Program** – Speaker: TBA
  - Pesticide use, storage, and disposal; pesticide laws and regulations
6. **Q&A Hour** with UCCE, AWQ, San Diego Water Board, DPW, Mission and Greater San Diego RCDs.
